Name: Aniruddh Mathur
Entry Term: Fall 2018
Lamar ID: L20468815
Lamar Electronic Account (LEA) User Name: AMATHUR1
Major: Master of Egr Science Mech

Dear Aniruddh:

Congratulations on your acceptance as a graduate student at Lamar University. Please note your Lamar Student ID number, listed above. The student ID number assigned to you is not a United States social security number. It is used as an identification number at Lamar University only.

The Office of International Student Services will be sending you an email with instructions for submitting your financial statement and information about immigration requirements and regulations. If you reside outside the U.S., you must apply for a student visa to enter the U.S. After you submit your financial statement to the International Student Services Office, the appropriate immigration document (I-20 or DS-2019) will be sent to you. The email you receive from International Student Services will also include important information about orientation, registration and reporting dates. For questions about any of this information, please contact the Office of International Student Services at: international@lamar.edu.

Students who are admitted pending a bachelor's or master's degree must submit proof of their conferred degree during their first semester at Lamar University. Please send us an official college transcript with your degree conferred; students with degrees from international universities must submit an official, course-by-course evaluation with a GPA which lists the equivalent US degree conferred.

Should you have questions about your initial application, or need to change your major, biographical information or entry date, please contact us at: gradmissions@lamar.edu. You may always view your admission status at: www.lamar.edu/admissions-status.

Again, best wishes and congratulations!

PROVISIONAL ADMISSION OFFER – XIME KOCHI

Congratulations!

1. Please refer to your application and the GDPI held subsequently.
2. As you are aware a large number of candidates have applied/ attended GDPI for admission to XIME PGDM 2020-22. Considering the approved intake and the merit as asessed on the prescribed parameters we have finalized the Select/Wait List for Bangalore campus. Unfortunately, your name does not appear either in the select list or in the wait list of the Bangalore campus for which you have given first preference in your application.
3. However, you are eligible to be considered for **XIME KOCHI Campus** as per the second preference given in the application. Accordingly, we are happy to offer you, **provisional** admission to the **Two-Year Full Time Residential Post Graduate Diploma in Management (2020-2022)** of the Institute at its **KOCHI** campus.

Dear Deeksha:

I am pleased to inform you that your application for admission to the Master of Science in Data Analytics program at Penn State Great Valley has been reviewed. You have been recommended to the Graduate School for admission into the program for the fall 2021 semester. Congratulations on your achievement!

Additionally, you have been selected by the graduate faculty to receive an Admissions Scholarship. This is a competitive award designed to support students who have demonstrated excellent academic performance and who show future academic promise. For details about how to accept it, please refer to the document attached in your email.

Also, Penn State Great Valley offers a number of opportunities to students for part-time, on-campus employment. Positions may be available in the Computer Lab, the Engineering Lab, and in administrative offices. Often students will work with faculty on research projects, including in our Big Data Lab. You will learn about the specific research and job opportunities that are available after you register on campus.

Within the next few days, you will receive an email from The Graduate School with directions on how to accept or decline your offer of admission. We would appreciate notification of your intent by **4/11/2021**.

I am confident that you will enjoy a challenging and rewarding educational experience in the Data Analytics program at Penn State Great Valley. The faculty, staff, and I look forward to having you join us.

Sincerely,
