ABOUT PWWA & WISE AT PCE

Poornima Women Welfare Association & Women in Science and Engineering

Women are the foundation of every society. The working of PWWA is in line with the Internal Complaint Committee (ICC). Women can do a lot in the society, what is needed; she herself should identify her strengths and work on it to build a strong society. A woman can not only change anything but also can change everything. “Women are the real Architect of Society”. So, women at PCE have clasped and formed a club Women in Science and Engineering (WISE) to propagate importance and relevance of women education in science and engineering. Every year activities of WISE have been organized with the coordination of the concerned department to encourage the maximum participation of girls in various activities and to promote their overall development.

VISION

To improve the status of women in our society and to make them aware of their rights

MISSION

To evolve and develop skill based systems in PCE showcasing different activities to groom women’s overall personality.

OBJECTIVE

To increase the number of women pursuing and graduating in science, technology, engineering and to promote the recruitment and advancement of woman who have chosen Engineering as their career.

MEETINGS:

Meetings among the members are held every month to work on the empowerment of the female students of our college and planning are always made and the work of execution has been given to each and every member of the group. PWWA and WISE are working more on providing Technical Sessions related to their respective fields.
